

Counting Market Day

Ages 7–11 • EcoBook.org

About this book

Practice counting, adding, and comparing numbers at a busy market.

Topics: Math, Everyday life

Print tip: This PDF is designed for low-ink printing. Try black & white if needed.

Scene 1

Ayo goes to the market with Auntie.

They carry a small list: bananas, tomatoes, and rice.

Illustration space (optional)

Scene 2

They find bananas: 6 in one bunch and 4 in another.

How many bananas in total?

Illustration space (optional)

Scene 3

Tomatoes are in baskets: one has 8, one has 5.

Which basket has more?

Illustration space (optional)

Scene 4

Rice costs 3 coins. Ayo has 10 coins.

How many coins will be left after buying rice?

Illustration space (optional)

Scene 5

On the way home, Ayo counts steps: 20, 40, 60...

Counting helps Ayo learn every day.

Illustration space (optional)
